Chieftain Fabrics Cleaning Guide

DO NOT use Pledge / Mr Sheen!

DO NOT use household polishes!

DO NOT use leather cleaner!

Vinyl is not leather, therefore cannot be cleaned in the same way.

DO brush down the area!

DO use warm soapy water!

DO dry after cleaning!

Where disinfectant is required 5% bleach solution is acceptable. 5% solution of Alcohol is also suitable for all ranges **APART** from **LIONELLA**

For ALL other cleaning product please ask us, we are here to help and advise.

*Failure to comply will result in the breakdown and deterioration of your vinyl fabric. For more detailed information visit our website www.chieftainfabrics.com
